Subject: parcel shapfile

Mike,

Here is the parcel you requested yesterday afternoon. I am pretty sure, by your description, that I have it included in this file, I included everything in the area. If it is not here, give me a call, I will get it for you. Have a great day

Gregory M. White
GIS Director

Office of The Lake County Surveyor
George Van Til - County Surveyor

2293 North Main Street

<u>**Parcel Information for Gary Development Landfill Site**</u>

- **Population Method:**
  Using GIS software, ESRI® ArcMap™ 9.3 (Build 1850) with License Type: ArcView, a shape file (IDEM_selection) that was provided by Greg White, GIS Director, Office of the Lake County Surveyor, was added to a base map to create a parcel map. The label command was used to label the Parcel Identification Number (PIN) and the acreage for all three parcels.

- **Reference Datum:**
  - o Datum: D_North_American_1983
  - o Geographic Coordinate System: GCS_North_American_1983
  - o Prime Meridian: Greenwich
  - o Angular Unit: Degree

- **Lake County Reference Information:**
  http://lakein.mygisonline.com

  Three screenshots were taken for reference information from the above web site for each parcel included in the parcel map.
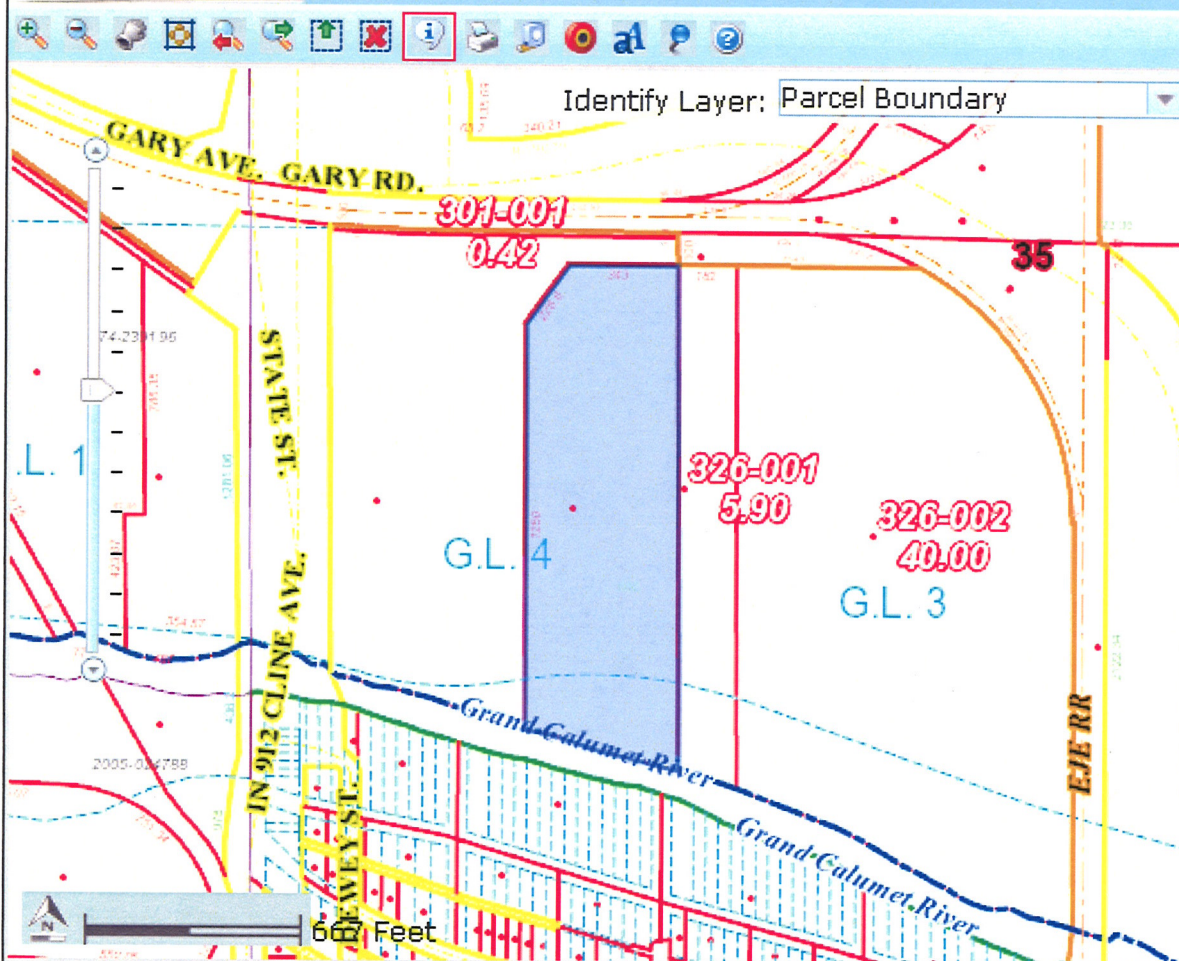

- **Source Map Scale:**
  - o 1:5,000

- **Point / Line / Area:**
  - o Area

- **Collection Date:**
  - o 8-4-2010
